No School

Please be reminded that this Monday, February 18th Elementary students do not have school. This is an Elementary Planning Day for Staff.

2008-2009 Kindergarten Registration Materials

Kindergarten Registration materials will be mailed out at the beginning of next week. Registration for Kindergarten will be held here at school on March 13th and 14th. Please check your booklet for information about registration and what things you need to bring. Please call if you have any questions.

Pound 5th grade information for Middle School

The Parent Information Night for parents with 5th graders going to Pound next year will be on March 6 and March 10 from 6:30-7:30 p.m. You may choose which date you wish to attend. Pound has mailed this information to those families who will be attending school there next year as well. Please call Pound at 436-1217 if you have any questions.

We also have planned for a Pound Middle School Information meeting at our March 18th PTO meeting. At this meeting, the Principal from Pound, Dr. Chris Deibler will be our guest. He will be sharing information about the transition to middle school and some information about what middle school is like. Our hope is that this opportunity will provide parents and students with more information about middle school. We also plan to have some former Humann students who currently attend Pound middle school come share with us this night as well. All parents (not just parents of 5th graders) and students are encouraged and welcome to attend. It begins at 7:00 p.m.

Lunch Choices

We have a change in the lunch menu for next Tuesday, February 19th. Italian Dunkers will not be served. This choice will be switched to an assortment of pizza choices. The other choice of Polish Dog is still available.

Box Tops For Education

Our school appreciates the Box Tops for Education program and those who collect Box Tops for our school. There are two submission dates each year and the second one is February 28th. From our first submission in October we received a check for \$667. If you have been collecting over the last few months please send them in before the end of the month. A blue container is located in the front lobby. Thank you for your support of the program. This money allows us to provide some extra things for students that we would otherwise not be able to do.

Bus Evacuation Practice

Due to the school cancellation on February 6, the School Bus Emergency Evacuation Drills originally scheduled for February 6 through February 8, have been rescheduled. On February 21st, students who ride the bus home at 3:38 will practice. ECSE and Special Education students who attend the morning session will practice on February 22nd. Because of these practices, your child's bus may arrive home about 15-20 minutes late on these dates.

HyVee Dollars for Education

Just a reminder that HyVee Dollars for Education is underway. For every \$100 worth of HyVee receipts collected, HyVee will donate \$1.00 to our school. A blue container is located in the front lobby. Thank you for your support if you shop at HyVee.

Drop off for students in the morning

We would remind parents that students should not arrive to school before 8:40 a.m. Supervision is not available until this time. The breakfast program begins at 8:30 if students are interested in eating breakfast. Thank you for your support in not having your child arrive at school until 8:40.

Student News

Congratulations to Third Grade Student Karsin Underwood. Karsin was the State Runner-up in her age division in the Elks Hoop Shoot Contest. Way to go Karsin!
