## Valentine's Day Parties

All grades levels at school will exchange Valentine's on Wednesday, February 14<sup>th</sup>.

If students choose to participate, they should bring a valentine for each student in their homeroom class. If your child's valentine includes candy or another treat, please be sure it is store bought, individually wrapped, and peanut free. Because of allergies, we will not be eating any treats at school.

Please let the office know if you do not want your child to participate, and contact the office or your child's teacher if you have any questions.
